CREDO

At SKITES PHARMA Private Limited

Our foremost responsibility is to the end consumer
Every action we take, reflects our respect for quality
Customer's requirements are fulfilled promptly and accurately
All our external partners make a fair profit

Our organization is a family
Every member of this family is treated with dignity
Each member is given an equal opportunity to grow, personally and professionally
The leaders are responsible for our organization's reputation, taking it to new heights

Together we uphold the culture and principles
upon which this organization has been built
Our resources are a privilege, not to be taken for granted
We pay our fair share of taxes and support charities that help society
We strive to be respectable citizens of this country

We encourage better health and civic sense amongst all our stakeholders

Our final responsibility is to make sound profit
In trying to achieve the same we will learn, experiment and innovate
At no point during this journey will our values be compromised...
